SIR,

I have the honor to state that Mr.L.S.Rego who was appointed to act as Collector of Municipal Taxes in Bangalore City under para 3 of Government Proceedings No.8266-8/ Ml. 259-12-5 dated the 16th April 1913 had, owing to an attack of Rheumatism, to take long leave and he has just returned to duty. The period of his probation as acting Collector will, in the usual course, expire on the 18th April 1914, but in view of the hard and arduous nature of the out door work expected of him, it is apprehended that he may not be equal to the task after his recent illness

2 His own application dated the 10th instant, asking for a change and retransfer to the Revenue Department is herewith submitted for the orders of Government, with my remarks.

3. I request that you will kindly obtain the orders of Government to send Rego back to his former post in the Revenue Commissioner's Office.

4. Mr. Rego has worked hard and exerted himself in improving the work of the collection department. I hope his prospects of promotion will not in any way suffer by his temporary stay in the Municipality and that he will be given the chance of a Deputy Amildari as originally recommended by the Revenue Commissioner.

5. The Collection Department of the Municipality is not working as satisfactorily as I could wish and I am anxious to secure a good man for the Collector's post. In this connection, B. Ramanatha Rao, Judicial Head Munshi of the Tumkur Deputy Commissioner's Office, has been recommended as a suitable candidate and he is also spoken of well by the several Deputy Commissioners under whom he has worked. I send copy of Mr. Kumaraswamy Naik's letter on the subject. I would therefore request early sanction to appoint Ramanatha Rao as acting Collector in the Bangalore City Municipality on Rs 100 plus 15 on trial for one year.

I thank you for your D.O. letter of the 26th ultimo, Re proposal to appoint Ramanatha Rao Judicial Head Munshi of my office as Collector of the Bangalore City Municipality.

I know Ramanatha Rao for the last seven months as Deputy Commissioner's personal clerk and Judicial Head Munshi. From what I know of him he appears to be a capable official. He is good in every way I would strongly recommend for the Collector's appointment. I am only sorry that if he should succeed in getting the said post I shall be deprived of one of the efficient and reliable officials. But I do not wish to come in his way when he stands a chance of getting a promotion

Sir,

In humbly submitting, for the favourable consideration of Government, my candidature for the place of the Collector of Municipal Taxes, Bangalore City, which, I understand, the present incumbent relinquishes, I beg to represent as follows -

I entered service in 1898 in the Plague Commissioner's office, and on the abolition of the Department in 1901, was transferred to the Secretariat where I worked till August 1902. I was, for a time, before the creation of the Revenue Commissioner's office, working on the Establishment of the First Councillor, Mr. V.P. Madhava Rao, C.I.E., and as soon as the Revenue Commissioner's office was formed, I was drafted to that office. Here I remained till June 1911 when on the creation of the Economic Conference I was chosen for a place in the Conference Department.

In the Revenue Commissioner's office I was throughout a case-worker dealing with papers relating to refunds, remissions, darkhasts, gomal, appeals, the publication of the Revenue and Agricultural Gazette, Office Contingencies, etc. I have thus put in over 15 years' service and my present pay is Rs 70/=.

I am a Matriculate of the Madras University and have also passed the Local Service Revenue and Accounts Tests (both Higher).

I have a special aptitude for outdoor executive work

12

and feel confident of raising to the expectations of Government, should I be fortunate enough to be selected for the place.

The enclosed extracts from my Service Register bear testimony to the unblemished character of my work during these 18 years of my service.

I beg to remain,
